BACKGROUND

The first minutes of the very first Saturn Club Faculty meeting read: “No business was conducted.” From that mirthful beginning, the Saturn Club of Buffalo has prospered through more than a century as a favored meeting place for those whose careers and life accomplishments overlap. However complementary, these are secondary to the friendships developed within the Saturn Club walls. Good talk, conviviality and games of whist formed the focus of the early essentials, but now more often mix with athletics, exercise, dining, entertainment, lectures, and family activities.

The Saturn Club was founded in 1885 by thirteen young men as an alternative to the established clubs of that time, which catered to older, more (as they perceived them) circumspect members. The name Saturn derives from their Saturday evening meetings. The titles of the principal Club officers (Dean, Registrar, Bursar and the governing Faculty) spoofed the more conventional authority of the time, yet fit well with the group’s penchant for admitting, with few exceptions, college graduates.

The current building, set in the north-central part of the city on Delaware Avenue, was designed as a clubhouse and opened in October of 1922. Remodeled and renovated extensively through the years to keep pace with membership interests, the building provides an excellent setting for all member activities. Today, the Saturn Club’s elegance and appeal continue to be developed, enhanced by a \$1.5 million capital improvement plan to keep the Clubhouse without equal among city clubs.

FACILITIES

The Main Lounge features an elaborate stage, which provides the setting for the annual meeting, or Saturnalia. It also plays host to the traditional Chairing of the Dean Ceremony, followed by the Annual Saturn Club Show, written and performed by the Membership.

Numerous meeting and dining rooms accommodate nearly any size group of up to 400 people, for wedding receptions, lectures, or Member-sponsored business meetings. Three or four cocktail parties can occur simultaneously throughout the Club's spacious facilities.

During the summer, the Courtyard is a perfect setting for a delightful breakfast, lunch, dinner or dance under the stars. In all seasons, Members and their guests may enjoy meals in the somewhat formal Delaware Room or in the less formal Red Room or Grill.

SERVICES

Food and beverage service at the Saturn Club is superb. Every level of menu from casual to elegant is available. Dinners can be informal and cozy around roaring fireplaces in our Old English Grill, or formally served in the Red Room or Delaware Lounge. Whether for breakfasts, luncheons, dinners, meetings, receptions, wedding parties, catered events or regularly scheduled gourmet events, Saturn Club cuisine satisfies the most demanding tastes.

Major social events, particularly during the holiday seasons, provide ample opportunities to enjoy the facilities. Specific events are announced in our monthly newsletter, THE PLANET, and on the Saturn website, www.saturnclub.org.

Guest rooms, with full access to Club facilities, are available for overnight use by Members and their guests, and provide a comfortable alternative to local hotels. Accommodations are also available, through a reciprocal arrangement, at over 60 affiliated clubs throughout the United States and the world.

Club decorum. Within Saturn, tradition is guarded with care and consideration, but always with an eye toward modern realities. The dress code is a mixture of the traditional and the contemporary: Formal attire is expected for Saturnalia and the Chairing of the

Dean, both traditional Club functions, but Business Casual attire is appropriate most of the time for members and their guests. Cellular phones must be turned off, or set to silent or vibrate, in the Club's dining areas and adjacent hallways (except in private meeting rooms upstairs or downstairs in one of the phone booths). Discrete use of business papers is allowed at luncheon tables.

The Membership proudly upholds the values of the Saturn Club, as a special club with a magnificent Clubhouse and a loyal, talented and experienced staff, many having served the Club for decades. The membership, open to any male or female over 21 years old, is drawn from friends, relatives and associates who understand the Saturn Tradition and will nurture it through the years ahead.

We're certain you'll appreciate our rich traditions during your next visit.

All functions must be sponsored by a Saturn Club Member in good standing with the Club. Arrangements for all private functions must be made through the Club. You may speak to a receptionist Monday from 9am until 5pm; Tuesday through Friday from 7am to 9pm and Saturday 9am to 10pm.
